

CHAIN SAWS

SP 382

Stiga SP 382 Petrol chain saw

Hobby petrol saw ideal for the domestic user.

The design of the saw is adapted for good ergonomics, with non-vibrating handle for long periods of work. The upright cylinder creates a good working balance.

The SP 340 has a high safety with double acting chain brake protection as well as large chain protection cover for front-hand.

The saw is easy to start with fuel primer, automatic choke and electronic ignition system.
